

# Mitchell

## MM100

...It's **ELECTRIC!**

The Mitchell MM100 guitars (Modern Mini) offer a short-scale, carved basswood body with a double cutaway design and a high-output dual humbucker configuration — many features from their MD brethren — making them the ideal, smaller “grab and go” electrics for any player from beginner to veteran.

### BASICS

Basswood body, off-set double-cutaway design

Maple one-piece, bolt-on neck

### FEATURES AND BENEFITS

Paraffin-dipped ceramic pickups reduce microphonics & feedback

String-through body design for outstanding sustain and bite

### HIGHLIGHTS

Feature packed small-scale design

High-output dual humbucker pickups

High-tensile strength fretwire for durability and smooth playability

Back-angled output jack helps eliminate accidental unplugging
